

About

THE DAUGHTERS OF PENELOPE

The Daughters of Penelope (DOP), an affiliate of the American Hellenic Educational Progressive Association (AHEPA), is an International Women's Organization, and the largest of Hellenic descent. It was founded by Alexandra Apostolides on November 16, 1929, in San Francisco, California.

The DOP's accomplishments are quite remarkable. It has strengthened the status of women in society, sheltered the elderly and abused, educated the youth, promoted Hellenic heritage, raised funds for the needy, medical research, and much more.

Today, the DOP is proud to claim Chapters in the United States, Canada, Greece, Cyprus, Europe, and Australia, grouped into Districts.

El Camino Real District 20

District 20 covers the Southern California, Arizona, Las Vegas, Nevada, and Hawaii. We currently have eleven active Chapters: Las Vegas in Nevada, Chandler, Phoenix, and Tucson in Arizona, and Los Angeles, Ventura, Santa Barbara, San Bernardino, Long Beach, Redondo Beach, and North San Diego in Southern California. Although distances between some cities are large, the Chapters support one another by attending each other's events as often as possible. Our sisterly bond is strengthened at every District Lodge Visitation, conference, and convention where Sisters uplift and inspire one another, together accomplishing many wonderful things.

#EMPOWEREDTOGETHER

We currently do not have a Maids of Athena in District 20. However, it only takes eight (8) ladies, ages 14 – 28 who are of Christian faith to begin a chapter. Contact our DOP District Advisor to the MOA and District Governor today. **#FAMILY**
