Later this month, Supreme Convention will be held overseas in Larnaca, Cyprus. The week will consist of business meetings and activities. Instagram

New Social Media Platform! At our recent WRDC, our delegates discussed wanting to see an Instagram account for our District events and news. Ask and you shall receive! Our new District Instagram launched last week and can be found under: [dop_district20](#). In order to make this page interactive, make sure to submit your chapter photos and news so they can be posted by our District Secretary, Mercie, or myself. As a reminder, we are on

Facebook under: Daughters of Penelope – El Camino Real District 20. Follow us on both platforms to stay current on all things District 20!

Missing Election Forms: If you have yet to submit your chapter's election form for 2024 – 2025, please send it to our dopdistrictlodge20@gmail.com, our District Secretary, Mercie, at merciedahlgren@gmail.com, and myself at ksbatslogos@gmail.com as soon as possible. Soon your chapter will be assigned a District Lodge member to act as the chapter's liaison and I need to ensure that the lodge is reaching out to the appropriate executive officers.
