

Chapter Spotlight: Aegina #340 Chandler, AZ

Talk about starting the year off strong! At the end of September, the Sisters of Aegina #340 hosted a coffee hour after church to raise funds for improvements to the 4th Acre House, where various ministries hold meetings or Sunday School. In October, they embraced Grand President Margaret's theme of #EmpoweredTogether by supporting Holy Trinity and the Helenos' #432 Sisters at the Phoenix Greek Festival. This month, in celebration of Founder's Day on November 16, they will be walking for the mall and hosting their annual Bunco event to fundraise for Hurricane Helene/Milton Relief Fund. Moreover, they will be hosting the District Lodge Visitation in December in Chandler, AZ!
