

## Chapter Spotlight: Hyperia #94 Ventura, CA

Our Sisters of Hyperia #94 have been raising funds for their local charities and their scholarship fund. In addition, they manned a booth at their Greek festival and baked desserts for a church luncheon in October. Various events they have participated in, such as their Pancake Breakfast and support at their local golf tournament, has allowed them to donate funds to their parish. They just finished baking 70 dozen koulourakia for their holiday bake sale. In the new year, they will have their annual holiday potluck and gift exchange on January 4, which DG Sofie will be attending. Lastly, they will begin planning their Membership Tea and Greek Independence Day Luncheon that will incorporate the children of St. Demetrios reciting poems and performing traditional dances. Lastly, they are looking into doing an event for the local community affected by the fires.
