

## Chapter Spotlight: Minos #159,

Long Beach, CA

Our Sisters of Minos #159 have had a busy year thus far trying to raise funds and recruit new Neophytes into the chapter. In September, members of the chapter worked alongside their Brother AHEPAns at the Greek Store for the Church's Festival. In October, they held a Harvest Sale where profits went towards The Fight against Human Trafficking. For Founder's Day in November, they held a membership lunch and welcomed 5 new Neophytes and reactivated 1 Sister into the chapter. They continued their fundraising activities by selling Christmas wreaths and centerpieces, where a portion of the profits went to Water by Women. They are currently preparing to host their annual Palm Sunday Luncheon in April, where funds will be donated directly back to their Parish by supporting the Parish's Iconography.

## 2025 SISTERHOOD CONFERENCE

District 22 is hosting the Sisterhood Conference on April 25 - 27, 2025 in Bellevue, WA and Sisters from Districts 17, 20, and 21 are invited to join the Sisters from D22 in this wonderful weekend. Sisterhood Conference gives us the opportunity to get together with our Sisters from across the West Coast and discuss various topics, including things that are going on in our Districts, as well as items we want to bring to our District Conventions, and, in turn, to Supreme Convention. It also allows us to get together and have a good time with our fellow Sisters that we often do not get to see often. If you are interested in attending, please reach out to DG Sofie to let her know and look at the packet in her email for more information.
