Grand Vice President Patty Didik's Growth & Expansion Plan Shine Together Growing our sisterhood. Shaping the leaders who come next. "As the Daughters of Penelope, our future rests on two commitments that move together. We grow our sisterhood - welcoming new Sisters, chartering new chapters and reviving dormant ones - and we develop the leaders who will carry us forward." The presentation lays out that full journey: a clear plan to expand who we are, and an intentional path to prepare the next generation to lead. Webinar coming soon.
